**CANCELLATION / NO SHOW POLICY**

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. It also prevents us from giving you the care you may need.

Beginning February 2, 2015 we are implementing a "no show" policy. **If an appointment is not cancelled at least 24 hours in advance you will be charged a \$25 fee which is not covered by your insurance company.**
